Biography

Graham Nation is a Los Angeles-based hairstylist born and raised in Baton Rouge, Louisiana. The "Nation" moved to Denver at a young age, where he discovered his passion for iconic hair and fashion. Attending Aveda institute for two years, Graham quickly became a staple hair artist in his town. Taking his career path further, he decided to make a move to Los Angeles. Shortly after his arrival, Graham met Ken Paves and quickly bonded over fashion, editorials, and pushing hairstyle boundaries. Within the four years that Nation has been in Los Angeles, he has worked with elite clients like Victoria Beckham, Bebe Rexha, Ashanti, and Kathy Ireland, to name a few.

Pulling his inspiration from New York and London, he has created his niche, classic styles with a bit of edge and undone cool.

"Much of the stuff coming out of LA is so polished, and I love to rough the look up a bit to give a personalized sense of freedom and individuality," Graham is currently focusing on the runway, editorials, and top clientele.

Hanzo Class Testimonial

"When we announced that we were hosting a Hattori Hanzo cutting class, it took no time at all to gather stylists from over 20 salons in the greater Richmond area to laugh, mingle, and learn from an amazing educator. Our artist bestowed his passion and knowledge of the industry upon an eager audience, and he was humble and gracious all the while. Every salon should be so lucky to host such an event!"
